LR 332, 378

CLERK: 25 ayes, 0 nays, Mr. President, on adoption of Senator Chambers' amendment.

SPEAKER BARRETT: The amendment is adopted. Anything further on the resolution, Senator Smith?

SENATOR SMITH: No, except that I would like to thank Senator Chambers because he did...it was an oversight on my part, we are talking about motorists and motorcyclists here and we're proclaiming education and public awareness through driving habits and I would just ask for the favorable consideration by the body at this time. Thank you.

SPEAKER BARRETT: The question is the adoption of LR 332. Those in favor vote aye, opposed nay. Record.

CLERK: 27 ayes, 0 nays, Mr. President, on adoption of LR 332.

SPEAKER BARRETT: The resolution is adopted. LR 378.

CLERK: Mr. President, LR 378 was a resolution introduced by Senator Wehrbein. It's found on page 1651. (Read summary.)

SPEAKER BARRETT: Senator Wehrbein.

SENATOR WEHRBEIN: Mr. Speaker and members, this resolution simply recognizes the fact that Arbor Day started in Nebraska City in 1872. There has been a tremendous effort nationwide to celebrate Arbor Day. It has increased the planting of trees nationwide. There's over 500,000 members of the Arbor Foundation and this simply designates Nebraska City as the official celebration for Arbor Day. And I guess the rest of it should be self-explanatory.

SPEAKER BARRETT: Thank you. Discussion? Senator Langford.

SENATOR LANGFORD: Call the question.

SPEAKER BARRETT: The question has been called. The objection is in order.

SENATOR CHAMBERS: You can call the question and vote but I will still object.
